SUMMARY

UI/UX designer with 2 years of experience in creating intuitive and user-friendly digital experiences. I have designed websites for education consultancies, businesses, and companies, as well as SaaS products. With a strong foundation in design principles and research, I specialize in crafting visually appealing and functional interfaces and graphics that enhance user engagement and business goals.

EXPERIENCE

May 2023 - Present

UI/UX Designer

Tech Glazers Pvt Ltd

- Designed websites for education consultancies, engineering and architecture companies, and businesses.
- Currently designing a restaurant management system and an inventory management system (IMS) to enhance operational efficiency.
- Refactored and revamped an e-commerce website, improving user experience and performance.
- Created wireframes, interactive prototypes, and high-fidelity UI designs using Figma.
- Collaborated with developers to ensure seamless implementation of designs.

Graphic Designer

Tech Glazers Pvt Ltd

- Designed logos for personal brands and education consultancies, aligning with brand identity.
- Created engaging social media posts for different brands to enhance online presence.
- Designed brochures, visiting cards, business cards, flyers, flex, and stickers for various brands.
